CALL FOR PAPERS

IDEE 2014: 3rd Workshop on Interaction Design in Educational Environments
Web: http://idee-workshop.org/   **Place:** April 27-30, 2014 in Lisbon, Portugal
ICEIS 2014 (http://www.iceis.org/)

SCOPE

Educational environments have been improving at the same time that new technologies have arrived to the market. Those technologies bring with them new methodologies used for a better adaptation to the new devices. With this, interaction is one of the aspects, which has been increasing more to facilitate user's labour inside of the learning process.

This workshop invites authors to submit contributions on concepts like: Distributed interaction Design Discussion, applications, techniques or environments where interaction design play a central role by improving the learning process at all levels.

TOPICS OF INTEREST

- Conceptual models for educational applications
- Educational pervasive environments
- Educational Interface design
- New devices and interaction techniques for educative environments
- Instructional and Interaction design
- Student/Teacher centered design
- Educative Ambient intelligence
- Human factors in Educative UI design
- Collaboration, cooperation and coordination
- Design patterns in collaborative educational environments
- Classroom teaching techniques
- Model-Based Development Environments

IMPORTANT DATES

Submission Deadline: Jan 20th, 2014
Author Notification: Feb 17th, 2014
Camera-Ready Deadline: Mar 3th, 2014
Workshop Date: Apr 27-30th, 2014

SUBMISSION
Papers submitted to Workshop can be accepted in one of the following three categories:

- **Full Papers**: Papers allocated 30 minutes for oral presentation (including discussion). These papers are assigned a 10-page limit in the conference proceedings.
- **Short Papers**: Papers allocated 20 minutes for oral presentation (including discussion). These papers are assigned a 6-page limit in the conference proceedings.
